

YOONJU TERRENOIRE

FRONT-END DEVELOPER & GRAPHIC DESIGNER

Developing a deep interest in coding inspired me to transition my career from graphic design to web development. After successfully completing a web development training program, I am actively seeking new opportunities to leverage my creativity and technical skills as a front-end web developer, contributing to projects that enhance user experience and deliver innovative solutions.

AVAILABILITY: IMMEDIATE.

📍 Poisy, 74330
